

WARRANTY

Your Centurion products have a one year warranty from the date of purchase or first day of rental. The unconditional warranty covers any and all problems and includes labour and replacement parts (freight excluded). The battery is also covered for one year. Any repairs or service work done by an unauthorized person or company will void the warranty immediately. An extended warranty package is available to cover any problems which might arise after the first year. This inexpensive plan covers all parts and will facilitate service. The warranty is honored from any of our service centers in North America or dealers around the world.
